Land Preservation Required !

The Southold Land Use Committee of the
North Fork Environmental Council presents:

Let's Talk Land -- Can We Save What's Left?

Tuesday, January 23, 2007

8 pm at Peconic Landing in Greenport

Did you know that while approximately 4600 acres of farmland and open space have been preserved as of January 2006, thousands of acres remains at risk for development.

Come and learn about land use--the evolution and future of farming on the North Fork, what has been done and what more *COULD* be done to preserve open space and our farming heritage.

This NFEC Green Voices Program will feature:

Melissa Spiro,

Southold Town Land Preservation Coordinator

Valerie Scopaz, A.I.C.P.

**Former Director of Planning, Southold Town
Principle of VMS Planning Services**

David Page,
