## 10 x 10 = \$100 Art Show and Sale

The North Fork Environmental Council (NFEC) and Robert L. Perry, Jr. Day Care Center are proud to be the two beneficiaries of the hugely popular holiday Art Show and Sale at **The South Street Gallery & Framers in Greenport.**

- ◆ This annual event brings together artists of all calibers and media together in a unique event. The “10 x 10” refers to the size of the art work.
- ◆ A 10” x 10” piece of plywood can be purchased at the gallery to serve as the foundation of the artwork
- ◆ Acrylic, oil or watercolors, or even collages and montages – you name it!
- ◆ The “\$100” refers to the sale price of all of the works of art.
- ◆ It’s a great way to acquire a piece of art from a well-known artist, purchase a unique piece of art, or even a holiday present, at a reasonable price while also supporting two local, worthy organizations.

Proceeds from each sale are allocated as follows: \$25 to the artist, \$25 to the gallery and \$25 to each of the two organizations.
